Grout Sealer Disclaimer:

The Grout Sealer helps maintain the appearance of your grout by closing up the pores of your grout making it difficult for dirt and settle back into your grout. This process will result in less cleaning and maintenance of your grout, and prolong or eliminate the grout replacement. The Sealer will last if the right cleaning agents are used but the time frame varies based on the traffic on the will not guarantee the sealer will work for a specific length of time (but it has been shown to last anywhere from 6 months to 5
